

Art Club Demonstrations and Watercolour Workshops with David Webb

Are you an established art society looking for a demonstrator or workshop tutor?

I can provide watercolour demonstrations on a variety of subjects. I can also tailor one-day watercolour workshops to various practical themes such as:

‘Watercolour for Beginners’: In this workshop I cover every basic watercolour technique that the absolute beginner needs to get off to a good start in the medium. I cover paper surfaces/weights, colour mixing, the various ways of applying paint to paper and a whole lot more.

‘Loosening-up Your Watercolours’: If you look at the paintings on my website, you’ll find that most of my watercolours are quite loose. At every society I demonstrate to, one of the most common questions is ‘how can I loosen-up?’ Having spent two decades as an illustrator of natural history subjects, I know that it’s not that easy. However, if I can do it, anyone can.

I can also provide subject-based, themed watercolour workshops such as:

‘Landscape ‘

‘Seascape’

‘Still Life’

‘Animals/Pets’

Fees for art societies: 2-hour demonstration - £130

Half-day workshop (3 hours)—£150

Full-day workshop (6 hours with break for lunch) - £220

I find that 10-15 students is a good size class for workshops. Anything larger and it becomes difficult to provide individual attention and tuition.

Travel expenses are based on mileage at 20p per mile (I live in South Devon).
